

Club Kit

There is now a wide range of club kit available for members to purchase.

All club kit is sold to members without profit to the club - printing and embroidery costs are also subsidised by the club.

If you would like to purchase club kit, please see me after the training session on Thursday evening. (Please try to avoid catching me between the run and the exercises , as I like to try and get the full benefit of the whole of Captain John's training session!)

If Thursday evening is not suitable, then please email/phone me so that we can make alternative arrangements.

My contact details are:
