Inclusion Policy Statement

Introduction

For the purposes of this policy 'inclusion' means access for all. It means recognising differences between individuals / groups and providing opportunities for them to participate in our sport regardless of those differences, whether this is as a participant, coach, leader, official, or volunteer.

The club embraces diversity and difference and is committed to providing opportunities that are safe, inclusive, accessible and equitable. We want our club to be equally accessible to all members of society, whatever their age, disability, gender, race, ethnicity, sexuality or social/economic status.

We will develop a focus on inclusion, not exclusion, and ensure that we provide appropriate advice to members and volunteers to ensure that everyone can participate as fully as possible.

The Inclusion Policy is intended to promote a change in attitudes and perceptions and to improve opportunities for everyone to participate in all club activities. There are a number of measures that we will take to ensure that we are working under the guidance of this Policy and the Equity Policy and within the requirements of the [Equality Act \(2010\)](#).

We will seek to include everyone regardless of whether they have a protected characteristic or not.

Aims

The aims of the Inclusion Policy are:

- To provide an environment where everyone feels:
 - Welcome
 - Represented
 - Included in decision making
 - Able to participate
 - Safe and free from discrimination, bullying, harassment and vilification.
- To promote the development of knowledge and understanding of disability, equity and inclusion amongst participants, leaders/coaches, officials, volunteers and competition/event organisers by the provision of appropriate guidance and training.
- To guide and support the integration of inclusive practice into core club/group programmes and activities.
- To contribute towards growing and sustaining numbers of people from under-represented groups participating within Athletics and Running.

- Consult with expert partners and other organisations to facilitate inclusive practices and remove barriers to participation.
- Provide opportunities for all in coaching, officiating and leadership positions.

We will provide a welcoming environment

- We will think positively about how we can include people rather than focusing on potential barriers to participation.
- We will consider how our club/group is promoted. For example, by providing information in formats which are accessible and by using appropriate imagery.
- We will encourage people to contact us to discuss their needs and requirements to facilitate inclusion and we will ensure we consider what reasonable adjustments could be made to enable them to participate.
- We will develop the knowledge and understanding of key officials, coaches, leaders and other volunteers, of disability, equity and inclusive practice by providing appropriate guidance and training.

We will talk to people

- We will, so far as is reasonably possible, consult with relevant groups and with prospective individuals about their needs and requirements.
- We will not make assumptions and will try to speak to people about the reasonable adjustments they believe might be made to enable them to participate and to discuss how these could be made.

We will make reasonable adjustments

- We will demonstrate that every effort has been made to enable everyone to participate and that inclusion not exclusion has been the priority.
- If reasonable adjustments are required to make an event/activity accessible then we will make every effort to make those reasonable adjustments.
